#### Mechanical Breakdown

During the Term of the Agreement, the Obligor will reimburse the approved cost of a Mechanical Breakdown of the Agreement Holder’s Watercraft less the Deductible.

#### Service Assist

In the event of a Mechanical Breakdown of a covered component listed in this NauticStar Agreement booklet, the Agreement provides for the reimbursement (subject to the below limitations) of the cost of a Service Assist to include the following:

## IMPORTANT INFORMATION

### General Provisions

#### Where The Agreement Holder Is Covered

This Agreement applies only to Mechanical Breakdowns occurring within the territorial waters of the continental United States of America, Alaska, Hawaii, Puerto Rico and Canada.

#### Agreement Limitations

This Agreement provides only the benefits specified in this Agreement booklet and does not cover any components, services or benefits not expressly listed herein or loss except as provided in this Agreement. There is no Coverage for any failure, either express or implied, for any component(s) not listed in this Agreement. The Obligor's liability for incidental and consequential damages, including but not limited to property damage, loss of described Watercraft or from the breach of any implied warranties arising by operation by law, is expressly excluded. All costs in excess of the Agreement Reimbursement Policy are the responsibility of the Agreement Holder. The remedies described in this booklet are the sole and exclusive remedies provided by this Agreement. Other than as set forth herein, there are no other warranties either express or implied under this Agreement. All other warranties, either express or implied, including implied warranties of fitness and merchantability are expressly excluded.

#### Multiple Component Groups

When multiple instances of a component group are covered under the Agreement (e.g. Air Conditioners), the Coverages available will be assigned on a "First to Fail" basis. Once all Coverable units have been claimed, any further failed units will be excluded from Coverage.

#### Loss of Use

Neither the Administrator nor the dealer or the Obligor shall have any responsibility for loss of use of the Watercraft, loss of time, inconvenience or consequential damages.

#### Entire Agreement

This Agreement represents the entire Agreement between the Agreement Holder and the Obligor. No agent has the authority to change this Agreement or to waive any of its provisions. No other written or oral statement applies to this Agreement. No Coverage will be provided for any issued Agreement if any information that was provided to the Administrator by any party regarding this Agreement is determined to be false, misleading or omitted.

#### Right of Removal

The Agreement Holder agrees to allow the Administrator the right of removal of the Watercraft in the event of any dispute or conflict between the Administrator and the repair facility/service department or the Agreement Holder.

## IMPORTANT INFORMATION

### General Provisions (continued)

#### Dispute Resolution – Arbitration

This Agreement requires binding arbitration if there is an unresolved dispute between the Agreement Holder and the Administrator concerning this Agreement (including the cost of, lack of or actual repair or replacement arising from a Mechanical Breakdown). Under this Arbitration provision, the Agreement Holder gives up your right to resolve any dispute arising from this Agreement by a judge and/or a jury. The Agreement Holder also agrees not to participate as a class representative or class member in any class action litigation, any class arbitration or any consolidation of individual arbitrations. In arbitration, a group of three arbitrators (each of whom is an independent, neutral third party) will give a decision after hearing the Agreement Holder and the Administrator positions. The decision of a majority of the arbitrators will determine the outcome of the arbitration and the decision of the arbitrators shall be final and binding and cannot be reviewed or changed by, or appealed to, a court of law. Any dispute on the application of this arbitration provision will be made by the local court of law in the province where the Agreement Holder lives. Notwithstanding this arbitration provision, the Agreement Holder is not prohibited from bringing an action in Small Claims Court to resolve your dispute.

To start arbitration, either the Agreement Holder or the Administrator must make a written demand to the other party for arbitration. This demand must be made within one (1) year of the earlier of the date the Mechanical Breakdown occurred or the dispute arose or the applicable statute of limitations period, whichever is longer. The Agreement Holder and the Administrator will each separately select an arbitrator. The two arbitrators will select a third arbitrator called an "umpire." All costs and expenses of the arbitration will be shared equally by the Agreement Holder and the Administrator. Unless otherwise agreed to by the Agreement Holder and the Administrator, the arbitration will take place in the province where the Agreement Holder lives. The arbitration rules of the Canadian Arbitration Association will apply and not provincial law concerning the arbitration.
